THANKSGIVING PROGRAMS:

Many different organizations offer Veterans free meals for Thanksgiving. This year due to the Covid-19 virus a lot of these organizations are giving away gift cards for groceries instead of turkeys.

Local Veterans of Foreign Wars (VFW) and American Legion posts usually prepare Thanksgiving meals for free.

"**Adopt-A-Service Member**" programs for Thanksgiving are also very popular, such as the one run by Operation Homefront. If you would like to sponsor a Service Member this Thanksgiving, check out [OperationHomefront.org](https://www.operationhomefront.org).
